The Turkish presentation was amazing and very energetic.

The presentation included a lot of traditional **songs** and **dances**.

The Turkish students were dressed in beautiful traditional

The activities

- ▶ Our Turkish friends first showed us videos including information about some of the most well known Turkish **artists**
 - ▶ Then they sang live for us in chorus
- ▶ Then a student played a traditional **instrument** and sang a beautiful and very touching song with his marvelous voice.
We all loved this excellent performance.
- ▶ At the end, they turn on the music and we all started **dancing** together!

Everyone was so happy and we had a lot of fun with our friends!

We thank the Turkish
teachers and students for
the **great moments**
that they offered us...
