1. Assess your trip to Portugal:

1 2 3 4 5 6 7 8 9 10

2. What did you learn during the visit to Portugal?

The project meeting was useful for my English skills, because we communicated in English with students and teachers and in the families.

3. What is your opinion about Portuguese school?

Portuguese school made a great impression on me because everybody was friendly and communicative. Also it was nice to spend our free time with Portuguese students.

4. What impressed you the most?

I was impressed most of all by our trip to Porto and also I liked very much the cave with bats in it.

5. If you were responsible for organizing such project meeting, what would you change/ organize in another way?

If I organized the project meeting, I would give more time for walking and sightseeing the city. In my opinion it is more interesting, than visiting museums, because some of them were really boring.

6. Which event during the project meeting you liked most of all and why?

Most of all I liked those activities, when all teams showed their presentations. I learnt a lot about other countries traditional arts, even tried myself, for example to paint on the water.

7. Which visits and sightseeing did impress you most of all? (Porto, “Discoveries” museum, ancient gold mines, winery etc.)

“Discovery” museum impressed me most of all. I learnt a lot of interesting fact from the history of discoveries, about Columbus and other travelers.

1. Assess your trip to Portugal:

1 2 3 4 5 6 7 8 9 10

2. What did you learn during the visit to Portugal?

During the project meeting I got new experiences, learnt to communicate with people from other countries. Also my speaking skills in English improved.

3. What is your opinion about Portuguese school?

I was surprised to know that the lesson in Portuguese school is twice longer than a lesson in our country, but I think that during these 90 minutes they understand better what it was explained at the lesson and learn more. Also I liked that not only children but teachers are very friendly in Portuguese school.

4. What impressed you the most?

I think that I was impressed most of by Portuguese people. They are brave people, also communicative and very very friendly.

5. If you were responsible for organizing such project meeting, what would you change/ organize in another way?

First of all, I would organize everything more properly, because during our project meeting we often waited for something or somebody, and spent a lot of time doing nothing. It was boring and tiring.

6. Which event during the project meeting you liked most of all and why?

Most of all I liked the fact that students' parents organised dinner and party at school for us. It was the best evening, I think. The food was very delicious; the atmosphere was warm and friendly. During this party I realised that Portuguese are really warm-hearted and cheerful people.

7. Which visits and sightseeing did impress you most of all? (Porto, "Discoveries" museum, ancient gold mines, winery etc.)

I liked everything, but "Discoveries" museum I liked most of all. In this museum I learnt a lot about the history not only of Portugal, but also of the whole world. I liked the trip on the boats in this museum which let us "visit" many different parts of the world, to learn about their lifestyle. I felt myself as if I really went and saw these countries together with famous Portuguese travelers.

1 2 3 4 5 6 7 8 9 10

2. What did you learn during the visit to Portugal?

I was lucky that I lived in Portuguese family, because I learnt a lot about Portuguese lifestyle, their traditions.

3. What is your opinion about Portuguese school?

I liked the school, everybody is very friendly.

4. What impressed you the most?

I was impressed by the whole project meeting.

5. If you were responsible for organizing such project meeting, what would you change/ organize in another way?

If I had to organize such meeting I would include less museums, but more excursion to the mountains, caves and similar places.

6. Which event during the project meeting you liked most of all and why?

Most of all I liked the last party, when we were given certificates and said good-bye to each other.

7. Which visits and sightseeing did impress you most of all? (Porto, "Discoveries" museum, ancient gold mines, winery etc.)

I was impressed most of all by ancient golden mines, because it was my first visit to a such place.

Name, surname Domantas Adomaitis

1. Assess your trip to Portugal:

1 2 3 4 5 6 7 8 9 10

2. What did you learn during the visit to Portugal?

The project meeting let me know better our teachers, what kind of people they are outside the school. Also I learnt how to work in a team; I practiced my English and learnt some Portuguese words.

3. What is your opinion about Portuguese school?

Portuguese school really differs from Lithuanian schools. Portuguese school has a lot of space not only in the school yard but also inside the building. It was new for me that the school territory is closed and strangers cannot enter the school. So it was really interesting to visit Portuguese school.

4. What impressed you the most?

I really cannot choose what impressed me most of all, because everything in this project meeting was the biggest impression. But if I have to choose, I can say that Poseidon Temple was awesome! Most of all I was impressed by Portuguese hospitality.

5. If you were responsible for organizing such project meeting, what would you change/ organize in another way?

I think that everything was organized very well, but I have one suggestion: in such kind of events as project meeting, where the students from different countries meet at the beginning of the project meeting it is better to organize some kinds of ice-breaking activities in order to know each other better.

6. Which event during the project meeting you liked most of all and why?

Most of all I liked the last day when we all could be together. I liked the fact that Lithuanian and Portuguese teams became friends and we would like to spend more time together. It goes without saying that the best was the farewell party, when all participants of Erasmus+ project meeting were given certificates and gifts. We all were very glad that our teacher was one of the best!

7. Which visits and sightseeing did impress you most of all? (Porto, “Discoveries” museum, ancient gold mines, winery etc.)

I liked all visits and sightseeing, but most of all I liked our visit of winery, because there I learnt new facts about wine production, that there are many different and unusual flavors of wine and also I saw a lot of interesting kind of bottles, which I never saw in Lithuania before.

1. Assess your trip to Portugal:

1 2 3 4 5 6 7 8 9 10

2. What did you learn during the visit to Portugal?

During our project meeting I learnt the fact that gold was mined in Portugal even in ancient times. In addition, as I lived in Portuguese family, I learnt about Portuguese lifestyles, their traditions, I learnt some Portuguese words and expressions, learnt to play some traditional games.

3. What is your opinion about Portuguese school?

I think it is difficult to study in Portuguese schools, because the lesson lasts 90 minutes, so, in my opinion it is hard for students to concentrate and work for so long time. Also students after school come home after school rather late, so they have not much free time. But I liked that the building and school yard are very spacious and cozy.

4. What impressed you the most?

Most of all I was impressed by Portuguese nature which is completely different than in Lithuania. Also I like that Portuguese people are so communicative and friendly.

5. If you were responsible for organizing such project meeting, what would you change/ organize in another way?

If I organised such project meeting I would give more free time for participants (and for teachers and for students)

6. Which event during the project meeting you liked most of all and why?

Most of all I liked those activities, when all teams showed their presentations. I learnt a lot about other countries traditional arts, even tried myself, for example to paint on the water.

7. Which visits and sightseeing did impress you most of all? (Porto, “Discoveries” museum, ancient gold mines, winery etc.)

The most unforgettable experience was our visit of ancient golden mines, because it was the first time in my life when I went inside the cave and the first time when I saw the bat.

1. Assess your trip to Portugal:

1 2 3 4 5 6 7 8 9 10

2. What did you learn during the visit to Portugal?

Communicating with the family where I lived during the project meeting I learnt a lot about Portuguese traditions, traditional dishes, festivals, and also a lot about Portuguese culture.

3. What is your opinion about Portuguese school?

I liked Portuguese school very much! In this school everybody is communicative, always smiling and friendly. The only thing which surprised me very much that lesson in Portugal lasts 90 min. It was really strange for me, because in our country such long lessons are only at the universities.

4. What impressed you the most?

Most of all I was impressed by our trip to ancient golden mines. Also it was great to meet all partners of the project and to live in Portuguese families!

5. If you were responsible for organizing such project meeting, what would you change/ organize in another way?

If I organized such project meeting I wouldn't change anything. Maybe only give more free time.

6. Which event during the project meeting you liked most of all and why?

Most of all I liked the party at school with teachers, students and their parents. I liked traditional dishes, traditional music and dances, and in addition to this, the party was longer than others, so we had enough time to know each other better and to become friends.

7. Which visits and sightseeing did impress you most of all? (Porto, "Discoveries" museum, ancient gold mines, winery etc.)

The biggest impression I got from golden mines because it was my first time in such place and the guide was great! Also I liked our visit to winery. The wine which I bought there for my parents was very delicious, but at the same time a little bit too strong.
